LEONARDO DA VINCI EXHIBITION SLATED FOR COUNTY MUSEUM

To afford art students, as well as the public, the greatest possible opportunity to study the works of Leonardo da Vinci and his followers, which go on exhibition at the Los Angeles County Museum on Friday, June 3 for a month and a half, gallery tours and talks will be given there daily except Monday at 2 p.m.

Two of the regular Sunday gallery talks scheduled for June 5 and June 19, have been cancelled to allow for special tours of the five Leonardo exhibition galleries. These galleries will contain original paintings, drawings, and sculpture by Leonardo and his school, reproductions of his masterpieces, and models for machines and inventions built after the original designs found in his notebooks. The models have been especially constructed for this exhibition and are the only set in existence. They show the great range of

Leonardo's scientific achievements, which have never been equalled. The large collection of paintings, assembled from European and American museums, as well as private ownership, reveals Leonardo's great popularity with artists of the sixteenth century, who copied his work or came strongly under his influence. A special section of the exhibition will be devoted to early books of interest to Leonardo, and facsimile editions of his notebooks in which he covered nearly the whole sum of human knowledge.

The exhibition will continue through Sunday, July 17.

Final meeting of the year for Torrance Terrace Garden Club was held Wednesday at the home of Mrs. Wanita Thompson. Regular sessions will be resumed in September. In the absence of Mrs. Romilda Scholl, president, Mrs. Clare Farrell, vice president, conducted the session.

On the agenda were several details of unfinished business relating to the highly successful club-sponsored flower and hobby show held in Civic auditorium. The women wish to thank everyone who assisted in any way in accomplishing the success of their third annual show and stated that plans are already afoot for next year's presentation.

The clubwomen will celebrate their third anniversary on June 9 and have chosen a trip to Knotts Berry Farm to mark the occasion.

Sweepstakes winner in the show was Mrs. Charles F. Duroy, 1628 W. 218th street, whose entry was an exquisite orchid grown in her own back house.

Among the organization prize-winning entries was a rose orchid cactus entered for Sigma Rho Chapter of Delphinia Society by Mrs. Fred A. Lincoln. An innovation was the table of arrangements entered by Miss Edna Peterson, carnations; K. Vorhees, Iceland poppy; Melba Hartley, sweet peas; and special, J. J. Baker, forgive-me.
